**NEW COURT FORMS THAT CAN BE COMPLETED ONLINE  
ARE NOW AVAILABLE  
AT THE COURT'S WEBSITE**

Santa Ana - Hundreds of court forms that can be accessed and filled out electronically are now available at the Orange County Superior Court website at [www.occourts.org](http://www.occourts.org).

"The public will save time and energy by accessing and completing these forms from their home or office. These "fillable" forms allow users to type the fields as they appear on their computer screen before printing them. This eliminates the hassle of using a typewriter or completing the forms by hand," said Chief Executive Officer Alan Slater.

Once the "fillable" form is completed, it is necessary to print the form because the current software does not allow the form to be saved with the filled-in information. Future developments now in planning will permit forms completed on line to be electronically filed with the court.
